FOR IMMEDIATE RELEASE

Weekend Closures of Lanes and Ramps on Ventura Freeway (US Highway 101) in Los Angeles

Drivers Should Use Other Routes to Avoid Long Delays During Pavement Repair Project

LOS ANGELES — The California Department of Transportation (Caltrans) will temporarily close some lanes and ramps on U.S. Highway 101 (Ventura Freeway) in the San Fernando Valley this weekend to install pre-cast concrete slabs in a \$62 million pavement rehabilitation project.

The closures will begin tonight (Friday, March 3) and will end Sunday morning (March 5) between Balboa Boulevard and White Oak Avenue. The schedule is weather-permitting and subject to change. The scheduled closures are as follows:

- **Closed from 9 p.m. today (Friday) until 9 a.m. Saturday, and from 9 p.m. Saturday until 9 a.m. Sunday:** The #4 and #5 lanes (the slower lanes) IN BOTH DIRECTIONS from Balboa Boulevard to White Oak Avenue, a distance of approximately one mile.
- **Closed from 11 p.m. today (Friday) until 7 a.m. Saturday, and from 11 p.m. Saturday until 7 a.m. Sunday:** The northbound #3 lane from Balboa Boulevard to White Oak Avenue; also, the northbound Balboa Boulevard on ramp and northbound White Oak Avenue off ramp, and the southbound White Oak Avenue on ramp and southbound Balboa Boulevard off ramp.
- **Closed from 10 p.m. today (Friday) until 8 a.m. Saturday, and from 10 p.m. Saturday until 8 a.m. Sunday:** The connector from northbound I-405 to northbound US-101.

The work is part of a 23-mile pavement rehabilitation project funded by the State Highway Operation and Protection Program (SHOPP). Myers and Sons Construction LP of Sacramento is the contractor on the project, which is expected to be completed this year. Caltrans reminds drivers to “Be Work Zone Alert.”
